

SunSmart America™
Richard David Kann Melanoma Foundation
Melanoma Month Contest - Be Sunsational!
Grades: K-2

Design a Folder that holds all the SUN SAFE pictures and stories you will collect, as you learn about being sun safe on the playground at school. Cut some pictures out of magazines and put them in your folder, or make some drawings about all the things you can do to be sun safe. Make sure your project has your name printed on it.

Be creative! It is good to be safe in the sun, so let's start a folder that has lots of good information inside that you can share with your friends and family. Draw a picture on the front of the folder to show how everyone should protect themselves from over exposure to the sun on the playground, and the risks we have of damaging our skin. Include some or all the SunSmart Rules*. Any media is acceptable. You can make a drawing and paste it on a purchased or handmade folder, or draw directly on it.

- * Use sunscreen and lip balm with SPF 30-50+.
- * Wear a wide-brimmed hat, sunglasses, and protective clothing when possible.
- * Sit under an umbrella or in the shade.
- * Avoid the sun during the peak hours of 10am-4pm, when rays are strongest.
- * Do not use tanning beds!

Please return this sheet along with your entry to your teacher.
