SAM CLUB FREQUENTLY ASKED QUESTIONS

7. HOW OFTEN SHOULD THE SAM CLUB HOLD MEETINGS?

The SAM Club should hold meetings monthly. The President and Sponsoring Teacher can decide if meetings should be held more frequently.

8. WHAT KIND OF ITEMS CAN BE USED FOR FUNDRAISING?

The RDK Melanoma Foundation's representative can assist the Sponsoring Teacher, President and Treasurer with ideas for fundraising. The RDK Melanoma Foundation has access to vendors who sell UV Protection T-shirts, sun safety hats, UV wristbands and UV water bottles. The RDK Melanoma Foundation also has information to a company who can help with raising funds for a shade structure for the school (would have to meet all of the school districts building codes). The funds raised from the sun safety fundraising event must be used toward purchasing sun safety items for the students at your school or for the school itself.

9. CAN SAM CLUB MEMBERS CONTACT THE RDK MELANOMA FOUNDATION FOR OTHER VOLUNTEER OPPORTUNITIES TO GET ADDITIONAL COMMUNITY SERVICE HOURS?

Yes! The RDK Melanoma Foundation is always looking for help in the office or with events. If a SAM Club member is interested in volunteering, please call the office at (561) 655-9655.

10. WHEN WILL THE SPONSORING TEACHER RECEIVE THE \$100 GIFT CERTIFICATE?

The RDK Melanoma Foundation would prefer to give the gift certificate at the end of the school year. However, if the Sponsoring Teacher would like the gift certificate before the end of the year, they should talk to their RDK Melanoma Foundation Representative.
