

# **2012-2013 SAM MEETING OBJECTIVES**

## **SEPTEMBER**

- **History of the Foundation.**
- **Mission and goals for the school year.**
- **Sun Safety learning component required for members.**

## **OCTOBER**

### **Strategic Planning for the Year**

- **Understand the mission of Melanoma Monday; create your school based event.**
- **Initiate a plan for parents to be involved (PTA)**

## **NOVEMBER**

- **Timeline for Melanoma Monday (May 6, 2013)**
- **Begin discussion regarding the Foundation's Melanoma Monday Art Contest in schools. See how you will encourage and support your school's participation.**

## **DECEMBER**

- **There are no official meetings, but the Foundation will provide a space outside your school, should you want to meet with our staff, or other SAM Clubs.**

## **JANUARY**

- **Review your Melanoma Monday logistics.**
- **Plan to support and enhance the Foundation's Melanoma Monday event, which is celebrated on the weekend before Melanoma Monday.**

## **FEBRUARY**

- **Discussions regarding "NO TANNING" for spring break and prom begin.**
- **Create a project that will bring attention to your school to support this important concept. Think MADD (Mother's Against Drunk Drivers). How can you create a school event or a tangible symbol to educate and warn your peers?**

## **MARCH**

- **Food, Fun and Facts! Collaborate with the Foundation's staff for Super Saturday! Plan to share a great time with other SAM Clubs and learn the newest cutting edge info and legislation regarding Melanoma. We meet at theater in The Palm Beach Post.**

## **APRIL/MAY**

- **Final plans for Melanoma Monday.**
