2026 RDK Luncheon & Fashion Show

March 12, 2026
The Breakers Palm Beach

Somers, CT Little League player protects himself from the sun with RDK UPF baseball sleeves.

Congratulations to **June Cohen**, winner of the raffle - a beautifully designed brooch by YVEL.

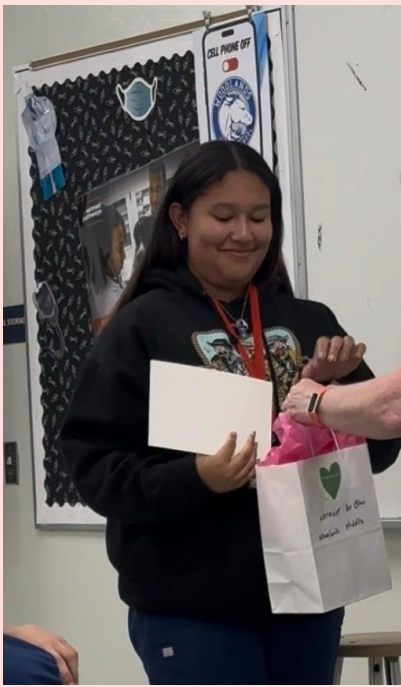

Little League player uses sunscreen donated by RDK. Sunscreen dispensers are located in each of our SunSMART LL partners' dugouts.

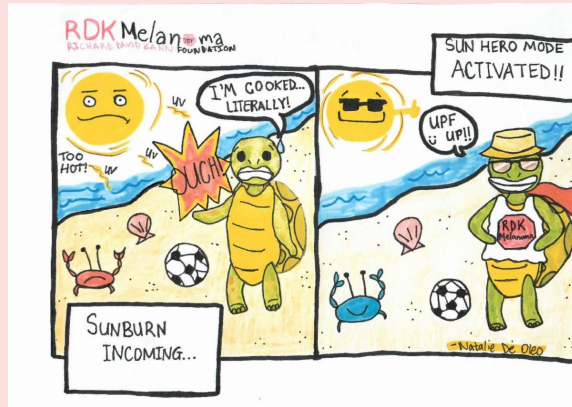

Opening Day in Media, PA

Woodlands Middle School (Lake Worth Corridor)

Woodlands Middle School

Natalie De Oleo earned an honorable mention for her art submission. Natalie drew a Sun Hero at the beach with all of the essentials needed for sun safety - sunglasses, UPF clothing, sunscreen, and a wide-brim hat.

St. Joseph Catholic School (Tampa)

Sofia Felix 7th grade
1st place

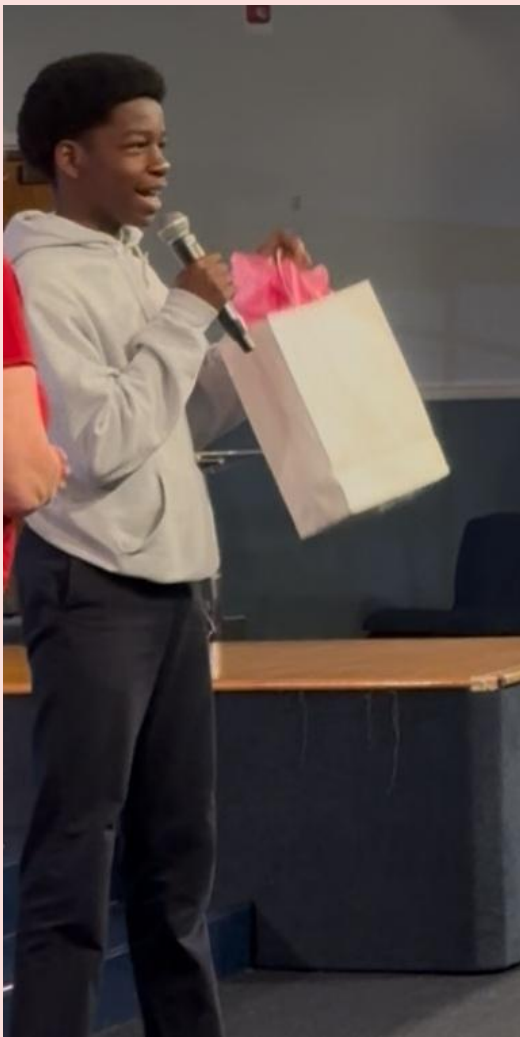

1st Place Middle School Winner, **Sofia Felix**, drew a picture that showed the contrasting effects of wearing sunscreen and not wearing sunscreen while at the beach.

Allison Garcia 4th grade
Honorable mention

Allison Garcia earned an honorable mention for her submission. Her picture creatively depicts all you need to stay sun safe, as well as what you need to be a melanoma survivor.

Abundant Life Christian Academy (Margate)

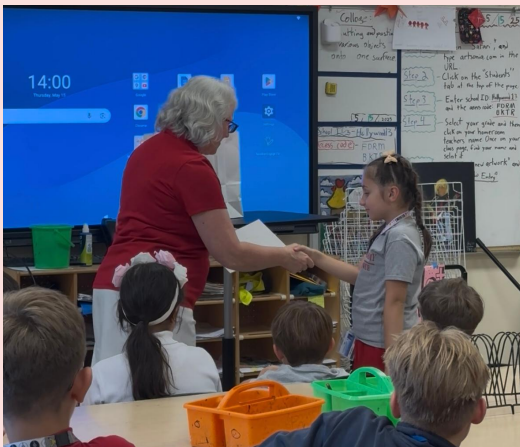

Joshua Merard (Abundant Life) placed first for the high school division with a photograph depicting the effects of the sun on young and old people.

RDK Executive Director of Education & Operations, Sue Diverio, presents **Stacy McMorris** - Abundant Life - (Yearbook Photography Teacher) with a gift bag.

Hollywood Academy of Arts & Science (Hollywood)

Sofia Lebedeva won 2nd place with her picture of friends at the beach getting sun showered with sunscreen.

Warren Sylne, Elementary Art teacher, accepts a gift bag. Teachers of winning students were awarded a gift card and UPF shirt.

The Weiss School (Palm Beach Gardens)

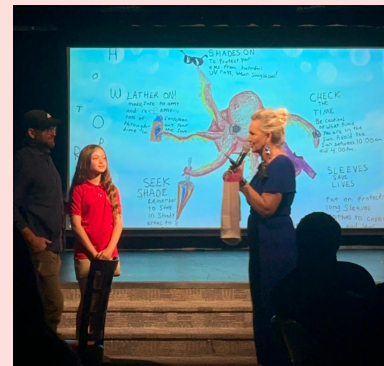

RDK Board Vice President, **Brian Guralnick**, presents **Lilibee More Nisbett** (1st place elementary winner) won a certificate, gift card, and UPF shirt.

Lilibee's art submission was a picture of an octopus with each arm carrying something needed for sun safety at the beach.

RDK Founder, **Debbie Schwarzborg** gave a presentation on sun safety.

She began the presentation with a video showcasing the collaboration between RDK Melanoma Foudnation and ISDIN.

Secondly, she previewed RDK's latest micro unit on sports sun safety.

Dr. Tammy Ferguson, Head of School for The Weiss School, speaks with elementary student, **Allie Schwarzborg** and her father, **Aaron Schwarzborg**. The Schwarzborg's committed to donating a sunscreen dispenser for the school.

SAM CLUB ACTIVITIES

On Air with Oxbridge Academy

Students from Oxbridge Academy spent an afternoon interviewing and filming Mike Schmidt at Khanna House Studio in Wellington. He shared his journey with melanoma and provided many sun safety tips for skin cancer prevention.

New SAM Club @ St. Laurentius (Fishtown, Philadelphia, PA)

St. Laurentius formed a SAM (Students Against Melanoma) Club in April 2025. Executive Director of Education and Operations (Sue Diverio) spent a day teaching students in grades 1-8 about sun safe practices.

At night, parents attended a presentation on sun safety followed by a Q & A with Mike Schmidt.

Graduation Cords

Schools that will graduate SAM Club members include:

John I Leonard High School (FL)
William T. Dwyer High School (FL)
Lower Moreland High School (PA)
St. Laurentius Catholic School of Arts & Science (PA)

John I Leonard High School SAM Club Graduates

SAM Club President, Emma, and SAM Club Moderator Ms. Tania Martinez

HOSA (Future Health Professionals) president, Nan with Ms. Martinez (Treasure Coast Regional Advisor).

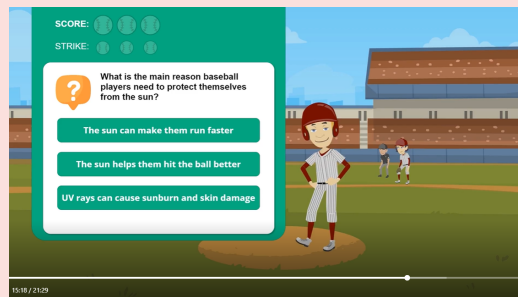

Several of the John I Leonard SAM Club and HOSA members on graduation (May 14, 2025).

SunSMART Baseball Online Learning

RDK launched it's **SunSMART Baseball** online micro units in March 2025.

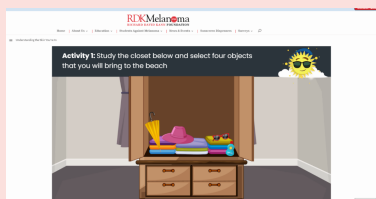

The units range in age-appropriate materials for players from T-Ball (age 3) through adults (coaches, umpires, and parents).

Each slide provides sun safety information. Players assess their learning through interactive slides (see above).

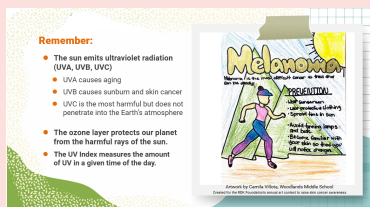

RDK is presently developing similar micro units for Tennis and Soccer.

RDK Online Micro Units

Elementary Lesson

The RDK Melanoma Foundation uses a school-

Middle School Lesson

Through age-appropriate lessons and activities,

High School Lesson

Six micro units (2 per grade level) can be found on the

based curriculum to teach students of all ages about sun safety and the risks of overexposure to the sun.

students will increase their knowledge about sun safety, change perceptions about sun safety behaviors, learn about the life-threatening risks of sun exposure and how to advocate for a healthy lifestyle.

RDK website under the Education tab (Lessons & Activities).

RDK CELEBRATES MAY ~ MELANOMA MONTH

Oxbridge Academy Kicks Off Melanoma Month

Deanna Schwarzberg (Oxbridge Academy, West Palm Beach, FL) spearheaded the partnership between RDK and Oxbridge this year.

Deanna gave a presentation to the athletes at Oxbridge and spoke about the importance of being sun safe on and off the field.

John I Leonard Baseball Team (Greenacres, FL) received RDK baseball sleeves at the beginning of their season.

Melanoma Day ~ Phillies Stadium

SAM (Students Against Melanoma) Club students from St. Laurentius (Philadelphia) handed out RDK Sun Safety Flyers at the Philadelphia Phillies game on Sunday, May 18.

Mike Schmidt met with students and shared a few words about skin cancer prevention and early detection with the students and hosted a post event for donors.

44,356 fans attended the game and viewed a 30 second video on sun safety.
