

SunSmart America™ Curriculum Guide K-5

All lessons are identical in content that is age appropriate for your students

1-3 activities to choose from per lesson, depending on the grade

Grades 3-5 have answer keys for the pre/post test, as the work is more detailed

There are notes and suggestions throughout the curriculum

The Curriculum Guide:

1. Table of Contents

2. List of Lessons

Title, benchmark correlations and objectives

Parent/Guardian Handouts

Resources

3. Introduction to SunSmart America

4. Thank you from our President and Founder

5. Dr. Avossa's letter of support

6. Notes to teachers

7. Cancer information sheet, however after your brief online training, you will know this and more!

8. Grades 1-3, there are rewards cards, and it serves as a sample, or reminder to implement something positive that is usual and customary in your classroom.

9. Pre/Post Test. You will give this test at the beginning of each of the four lessons, and once at the end of the final lesson. Save the tests. Most likely you will have a folder for each student.
