

## SunSmart America™ Curriculum Guide Secondary School

All lessons are identical in content that is age appropriate for your students

1-4 (5) activities to choose from per lesson

Answer keys provided for the pre/post test

There are notes and suggestions throughout the curriculum

### The Curriculum Guide:

#### 1. Table of Contents

#### 2. List of Lessons

Title, benchmark correlations and objectives

Parent/Guardian Handouts

Resources

#### 3. Thank you from our President and Founder

#### 4. Dr. Avossa's letter of support

#### 5. Introduction to SunSmart America

#### 6. Notes to teachers

#### 7. Cancer information sheet, however after your brief online training, you will know this and more!

#### 8. Pre/Post Test. You will give this test at the beginning of each of the five lessons, and once at the end of the final lesson. Save the tests. Most likely you will have a folder for each student.
